  - a. We would call it “discretionary time” as you will need to prepare your Bible study and other requirements of the program, as well as cook, clean, eat, sleep, sabbath, and more.
  - b. We hope that you will be intentional with your free time, getting involved in the lives of your program community, other program participants, the Church you attend, your neighbors, and your coworkers.
  - c. With 2 required times a week to gather and an expected sabbath, free time will be at your discretion as responsible adults. We will expect adherence to COVID protocols and the rest of the law.
8. Will we be required to attend a specific church, or can we go to whatever church we want?
  - a. Yes, you will be required to attend a specific church together, and required to serve at that church as well each week.
    - i. “But I already have a church I go to in the Denver area!”
      1. We understand many of you may be from the area. There are multiple reasons we are asking this of you.
        - a. To continue growing in community
        - b. For accountability for church attendance and service
        - c. To learn to worship the Lord in ways you may not be used to, as we are all one body, and there are many different ways to worship. This might end up as

a crucial skill for you if you end up living in a town not near your “normal” type of church.
